

SINDH SOLID WASTE MANAGEMENT BOARD

INVITATION OF BIDS FOR FRONT END COLLECTION AND TRANSPORTATION OF MUNICIPAL SOLID WASTE ZONE KORANGI & CENTRAL (DMC KORANGI & CENTRAL AREA) KARACHI, PAKISTAN

INTERNATIONAL COMPETITIVE BIDDING

Sindh Solid Waste Management Board (SSWMB), established under Law to manage Solid Waste in Karachi and other districts of Sindh Province, has sole rights on all kinds of solid wastes within the limits of all municipal councils and has authority to grant permissions to establish appropriate waste collection, transportation, recycling, composting and energy generation projects.

2. SSWMB is in the process of establishment of **Integrated Municipal Solid Waste Front End Collection, sweeping & Transportation Project in Karachi.**

3. **Karachi** is the largest mega polis of Pakistan and the capital of Sindh province with a population of about twenty two million generating approximately 12,000 tons of waste per day. The City is divided into six districts each having a separate District Municipal Corporation. **Korangi and Central Zones** are two of these districts.

4. **This NIT is for Korangi and Central Zones, both of which are separate projects.**

5. SSWMB hereby invites sealed bids (SEPARATE FOR EACH ZONE) from interested National and International firms or Consortium / Joint Ventures, having sound experience in the field of Municipal Solid Waste Management for above work / services.

6. The successful firm will be investing in and managing the entire front end collection and transportation project and do following works against a tipping fee that they will be paid on per ton basis delivered at the GTS or landfill site.

- Door to door collection of garbage & revamping of bin system
- Sweeping of roads, streets, lanes, footpaths, medians and open spaces
- Washing of important roads as and when required
- Lifting and transportation of MSW from dustbin sites & collection points to designated sites.
- Establishment of Complaint Management System, and
- Community Awareness Programme and its implementation.
